Sir:

This paper is responsive to the office action mailed April 1, 2008 in connection with the above-identified patent.

In response, Applicants elect, without traverse, the invention of Group I, i.e., claims 1-8, drawn to a product of a low pressure discharge lamp, classified in Class/Subclass 313/607. Applicants reserve the right to file a divisional application directed to the subject matter of the non-elected claims prior to the termination of proceedings in this patent application.

No fee is believed to be associated with the filing of this paper. Nonetheless, should the U.S. Patent and Trademark Office determine that a fee is required, authorization is given to charge our Deposit Account No. 19-0733.

Respectfully submitted,

Dated: May 6, 2008
